Teams of 2 to 4. [Create or join a team]. Add every teammate before 2:00 PM.

What to Submit

Public GitHub repo

Test the link in a private window.

Pitch deck

Problem, solution and impact.

Demo video

2 minutes at most. Show it working.

Screenshots

Up to 5.

No deployed link needed. Spend your time building.

How You Are Judged

- A panel of judges scores every team on a set rubric
- Read the rubric before you start: [where to find it]
- Judging runs 1 to 5 November
- Results on 12 November at 3:30 PM

Avoid These Mistakes

- Private GitHub repository
- Video longer than 2 minutes
- Missing pitch deck
- Submitting at 4:59 PM and hitting a problem
- Only one teammate knows how to submit
